TELEVISION PILOT

Travels with Gannon and Wyatt Off the Beaten Path: Egypt

Travels with Gannon and Wyatt: Off the Beaten Path is an entertaining and educational travel series for young adults that takes viewers on exciting journeys around the world. The 30-minute pilot episode is packed with fun and informative stories about the amazing history, culture and landmarks of Egypt. While in Egypt, Gannon and Wyatt explore the tombs of ancient pharaohs, learn to haggle at the Khan al-Khalili Bazaar, meet the great Egyptologist Dr. Zahi Hawass, come face-to-face with mummies, go 4-wheeling in the desert, and take a speedboat down the Nile River. This action-packed show is sure to inspire the globetrotter in all of us.
